The film stars Andre Braugher, Clayne Crawford, Daniel Cudmore, Travis Fimmel, Eva Longoria, Paul Wesley and Billy Bob Thornton. The film follows the Oodie brothers - Brick, Lincoln and McQueen - acting as guardians of the local sheriff's killers. When the trio take up work to rescue a young boy from his godfather,[1] the plans quickly fall apart as the brothers aim to deliver the boy to safety while pursuing a group of killers. [2] Fence in Alabama, Oodie brothers Brick, Lincoln and McQueen work as guardians for the man who ousted them, Sheriff Henry Millard; bypassing the legal system for murdering criminals, with the crime rate being the lowest in the state. After one of their attacks, they were approached by Celeste, a witness to an incident that offered them \$25,000 to rescue her godfather Rob and kill his godfather and drug lord Carlos. The trio accepts that. Meanwhile, ATF agent Anthony Reese approaches Millard about the spree of criminal deaths and his suspects; the Oodie brothers. Millard deliberately obstructed Reese's request for help. Oodie travels to Carlos' house and invades the building, killing Carlos' men, but he won't kill Carlos. They restore Rob; a young disabled man in a wheelchair. Carlos sends a group of biker killers after them. Cyclists find brothers resting in a bar. Cyclists seduce unaware brothers, separating them from each other, but when Lincoln notices one of them wheeling Rob away, the women attack them. The brothers manage to kill the women and restore Rob, but the massacre ends up in the news with sketches of three brothers provided by the bar owner, giving Reese the evidence he needs that Odes are murderers. Brick calls on Celeste to find out why simple work now involves murderers; Celeste admits that Rob came from a wealthy family that Carlos killed so that, as Rob's legal guardian, he could get a large trust fund that Rob is supposed to inherit on his upcoming eighteenth birthday. Brick makes another call to Millard telling them that because of Reese's evidence, he has to distance himself from them and arrest them if he returns to Alabama. Even though he can't talk to them, the brothers have contacted Rob. McQueen suggests he quit his job, but Brick tells McQueen that he once had a brother like Rob who was regularly beaten by their father until one day he woke up and the brother was gone; The resemblance makes Brick reluctant to let Carlos retake Rob. Another group of killers in an armored vehicle attacked the brothers on the road and abducted Rob from a moving car. The brothers give chase and Lincoln jumps on the vehicle, singlehandedly killing everyone inside, but he is badly injured and the brothers' car is smashed. While walking down the road, groups are picked up passing delivery; one of the passengers is a nurse and tends to Lincoln's injuries, but he remains weakened. The group is dropped off in Vicksburg, Mississippi, where they are waiting for Celeste to prepare for more attacks. Reese discovers a photo of Millard recovering the brothers as children after his father's death, and large cash withdrawals he suspects were used to pay the brothers. He confronts Millard with evidence and forces him to give up the brothers instead of a lesser prison sentence; Millard's going with Reese. A Native American gang comes in and attacks, leaving Brick and McQueen to defend Rob and Lincoln. Celeste later comes and joins the brothers. They manage to kill most of the gang and Lincoln is recovering enough to stop one of them from taking Rob, but Celeste and Brick are shot down and the remaining gang member tries to scalp McQueen; Millard shot him. Millard and the brothers are arrested; The brothers provide a fake story that doesn't involve Celeste, which allows her to take care of Rob. Reese's success is rewarded by transferring to manage territory, much to his chagrin. Carlos is killed by an explosive package she sent to Celeste. Five months later, the brothers are freed from prison. They'll get a letter from Celeste, which will attach their promised \$25,000 payment, with a new truck waiting for them courtesy of Rob. Celeste ends the letter by saying that others could use their help. The sense was that the film was made to capture the essence of Robert Rodriguez or Quentin Tarrantino[1] film, but not so good, and it has neither perseverance nor wit to go the distance. Yet it was considered amusing nonetheless. [2] [7] On the review aggregator site Rotten Tomatoes, the film has an approval rating of 22% based on 27 reviews, with an average rating of 4.13/10.
